

SPONSORSHIP PACKET

www.WESisMoreGolfClassic.com

WELCOME

Dear potential sponsor,

Your organization has been a valued partner in our mission to advance energy. In that same dedication, we invite you to join us as a sponsor as we advance investment in our communities through our inaugural WES is More Golf Classic.

The tournament will benefit Meals on Wheels of Montgomery County and will be held at The Woodlands Country Club - Palmer Course.

This tournament promises to be an excellent networking opportunity and will provide tremendous visibility within the midstream services sector and broader oil and natural gas industry. Your support will not only contribute to the success of this inaugural event, but more importantly enable us to strengthen the tournament's support for Meals on Wheels and the 850 seniors it regularly serves in the county.

Joining the tournament as a sponsor can provide some meaningful benefits to your organization, based on the level of your choice. Many of our sponsorship levels come with brand exposure through your organization's presence on our numerous marketing materials and event signage, while some premier sponsors receive slots for tournament players, access to a member of Western Midstream's Senior Leadership team, and recognition during our 19th Hole Party. We're also looking for lower-level sponsors at only \$500, as well as in-kind sponsorships.

Please check out the sponsorship opportunities in the next few pages, and contact us to discuss how we can partner to better our communities with Meals on Wheels of Montgomery County.

We look forward to speaking with you and seeing you out on the course.
